From the Desk of Sister Sally...

Paul was appointed preacher and apostle to take the Good News to the Gentiles. How can you take Christ's message beyond the sphere of the Church?

Paul asks prayers for kings and authority. Do you think the Church today should address political, economic and social problems, or just stick to "religion"? Do you address these issues?

Gospel

Luke 16: 19-31

1. Where would you find Lazarus today? What would s/he look like? Do you recognize and care for him/her as God's beloved child, or do you try to get to the other side of the street when you see him/her coming?
2. Pope Francis says that "vast wealth and resources are in the hands of few." If it's not in your capability to change that unjust situation, what smaller things can you do to answer the "cry of the poor"?
